Klein Karoo, Garden Route,
Western Cape, South Africa.

Oudtshoorn Self Catering & Luxurious B&B Accommodation

Only 7km
outside Oudtshoorn is one
of the world's 17 "hot
spots" with 3 overlapping
flower zones. This owner
managed, 3000 hectare
working farm, is malaria
free, wheelchair friendly &
child friendly. We are proud
to announce the de Zeekoe
is the only Fair trade
registered property in the
Oudtshoorn area.

The name De Zeekoe, is
derived for the Dutch name
for the farm, Zeekoegat,
which literally means
"hippo waterhole" over a
century ago, these odd-
looking, water-loving
creatures used to frequent
the riverbed that still runs
through the farm to this
very day.
